We would like to invite you to join us at a special event to explore the findings of the ESRC project Higher Education in Scotland, the Devolution Settlement and the Referendum on Independence, part of the ESRC Future of the UK and Scotland programme, to be held at the University of Edinburgh on 24th June between 2:00 and 4:30pm.

The seminar will present the findings from the three strands of the project and will provide a chance for further discussion of the implications for the future of higher education in Scotland.

Findings from the three strands of the research will be presented:

1. In-depth interviews with 50 key informants from the UK and further afield
2. Analysis of HESA data on the cross-border flows of students within the UK
3. In-depth interviews with 148 young people in Scotland and England.
